## **Chef’s Notes**

We require that all regular orders (under 5 dozen) require a minimum 2-week notice. We request a minimum booking of 3-6 months ahead for medium-large events (exceeding 75 guests) such as weddings and corporate events. We may make exceptions for last minute needs, such as if your previous caterer fell through, but there will be a late charge applied to the order.

Ariette Hung Events products by pastry artist, Cherry Tsui uses locally sourced ingredients, and products are made from scratch. Butter, flour, sugar, eggs, etc. are part of the pastries production process, and unfortunately, at this time, we do not specialize in vegan-specific baked goods at this time, but our team is more than happy to assist you in outsourcing dietary product alternatives as we have good relationships with other chefs.
